ANNEXURE-II

STATEMENT OF IMPUTATIONS OF MISCONDUCT IN SUPPORT OF THE ARTICLE OF CHARGES FRAMED AGAINST SRI C.VENKATA NARAYANA REDDY, AGE 58 YRS, CTO,COMMERCIAL TAXES DEPT, ADMINISTRATIVE OFFICER, INTEGRATED CHECK POST, PURUSHOTTAPURAM, ITCHAPURAM MANDAL, SRIKAKULAM DISTRICT.

Sri C.V.Narayana Reddy, Commercial Tax Officer, Commercial Taxes Department, at Integrated Check Post, Purushottapuram is native of Darsimala, Dharmavaram Mandal, Ananthapuram District. His date of birth is 10.08.1960. He joined in Government Service on 16.03.1989 as Assistant Commercial Tax Officer in Commercial Taxes Department. He was promoted as Deputy Commercial Tax Officer on 04.04.2001 and he further promoted as Commercial Tax Officer on 15.06.2006 and he worked as such at various places in Andhra Pradesh and was further posted at Office of Administrative Officer, Integrated Check Post, Itchapuram and worked there from 22.10.2015. He is drawing basic pay of Rs.80,930/- and he attains the age of superannuation on 31.08.2020. He is here-in-after referred to as Government Servant.

That on receipt of credible information that the employees of the Integrated Check Post, Itchapuram, Srikakulam were indulging in corrupt practices and habitually collecting illegal gratifications directly and also through unauthorized agents (private persons) by abusing their official positions from the crew members/ owners of the vehicles, passing through the check-post, without conducting physical verification of the vehicles, connected records of the goods being transported and vehicles and thereby causing pecuniary advantage for themselves and pecuniary loss to the Government exchequer. The Deputy Superintendent of Police and staff along with mediators left the Anti Corruption Bureau office in vehicles and reached the Integrated Check Post, Itchapuram and watched the happenings at the respective counters for five minutes and organized a surprise check on the Integrated Check Post, Itchapuram in the presence of mediators by the Deputy Superintendent of Police with the assistance of other officers, staff of Anti Corruption Bureau and staff of Armed Reserve Force of Srikakulam from 2000 Hrs on 27.11.2015 to 01.30 Hrs on 28.11.2015 and the mediators prepared the proceedings.

During the proceedings, the Deputy Superintendent of Police deployed their staff at all counters and requested the mediators to watch the happenings in the counters to know how the bribe amounts are being collected in the check post. The surprise check party noticed that some persons are collecting mamools from the crew members and owners of the vehicles on behalf of the employees of the check post at the counters of commercial taxes Department and Agricultural Market Committee of Integrated Check post and apprehended the eight private persons, when they tried to escape from the aforesaid counters and seized an amount of Rs.26,230/- from their possession and examined them and recorded their statements in the presence of mediators. During the proceedings, the Deputy Superintendent of Police and his staff thoroughly checked the office premises and noticed number of small wads of currency notes of Rs.6,160/- on the computer table besides the computer in the server room. The Deputy Superintendent of Police enquired with the employees of the commercial Taxes Department about the cash found at the server room, they kept quiet. Further the Deputy Superintendent of Police secured the presence of drivers and examined them and recorded their statements and the seized the records for enquiry purpose.

Contd.,2

As prima-facie evidence emerged in this case against a number of Government servants and private persons, a case in Crime No.11/RCO-ACB/SKL/2015 U/Ss 13(1) (d) and r/w 13(2) of Prevention of Corruption Act, 1988 and Sections 120(B) and 109 IPC r/w. 34 IPC was registered on 28.11.2015 at 1615 hrs against five Government officials and eight (8) Private persons and investigated into.

On observation of the premises of the check post, it was found that there were 04 C.C Cameras in total but they were not in working condition and the server of the C.C cameras was also not in working condition. When the In-charge of the check post was asked about the working condition of the C.C. Cameras, he stated that they had not been working since 2007 but no one had attended to their repair work. The weigh bridge which was commissioned long back was found to be not working. When the Assistant Commercial Tax Officer was asked about the same, he stated that it had not been working since a long time. The higher officials of the concerned departments who were supposed to monitor the administration of the Integrated Check Post, Purushottapuram did not monitor the working condition and maintenance of the CC Cameras installed in the Integrated Check Post, Purushottapuram, although proper functioning of the CC Cameras could have helped them to ascertain if corrupt activities were going on in the check post. This constituted a lapse on the part of the supervisory officers of the concerned departments of the Integrated Check Post.

At the time of surprise check, all the employees of Commercial Tax Department, the two AMVIs who are on duty and the employees of the Agricultural Market Committee was available in the check post building and on enquiry the government servant informed that out of the total number of 844 vehicles which passed through the check post during their shift, 398 vehicles came into Andhra Pradesh from other states and 436 vehicles went out of the state but on verification of the physical verification register, it was found that only two vehicles on 23.11.2015, one vehicle on 24.11.2015 and one vehicle on 27.11.2015 were physically verified by the officials of the check post. This proves that the employees of the Check Post are not conducting physical verification of the vehicles, records and goods being transported as per the records.

The check post officials were supposed to check each and every vehicle passing through the check post to find out the violations made by them under Market Value Act and rules, Commercial Tax Act etc., and in case of any violation they were supposed to collect the tax dues and fine amounts accordingly, but they were allowing the vehicles to pass through the check-post without verifying the vehicles, goods being transported and the vehicle records by abusing their official position and collecting bribes thereby causing huge loss to the Government exchequer.

Hence the Government Servant while working as Administrative officer at Integrated Check Post, Itchapuram failed to maintain devotion to duties and failed to properly supervise his subordinates and allowed the officers and staff working in the check post to engage private persons for collection of mamools in the check post. He also failed to supervise the staff of the check post who did not verify physically the goods that were being transported through the transport vehicles or the records of those vehicles. He also did not monitor the working condition and maintenance of the CC cameras installed in the Integrated Check Post, Purushottapuram, although proper functioning of the CC cameras could have helped to ascertain if corrupt activities were going on in the check post. As a result, all the CC cameras and

the server were found to be not working on the date of surprise check and thereby failed to take all possible steps to ensure the integrity and devotion to duty of the Government Servant under his control and authority and violated Rule 3(5) of Andhra Pradesh Civil Services (Conduct) Rules, 1964.

Thus the Government Servant by his above mentioned acts has exhibited lack of integrity, devotion to duty and conduct unbecoming of a Government Servant and slack supervision and thereby contravened Rule 3(1) & (2) of Andhra Pradesh Civil Services (Conduct) Rules, 1964.

The Government Servant has therefore rendered himself liable for regular departmental action for major penalty.
